Change Profile Information

sara li - 2024-05-24 - User Account Management

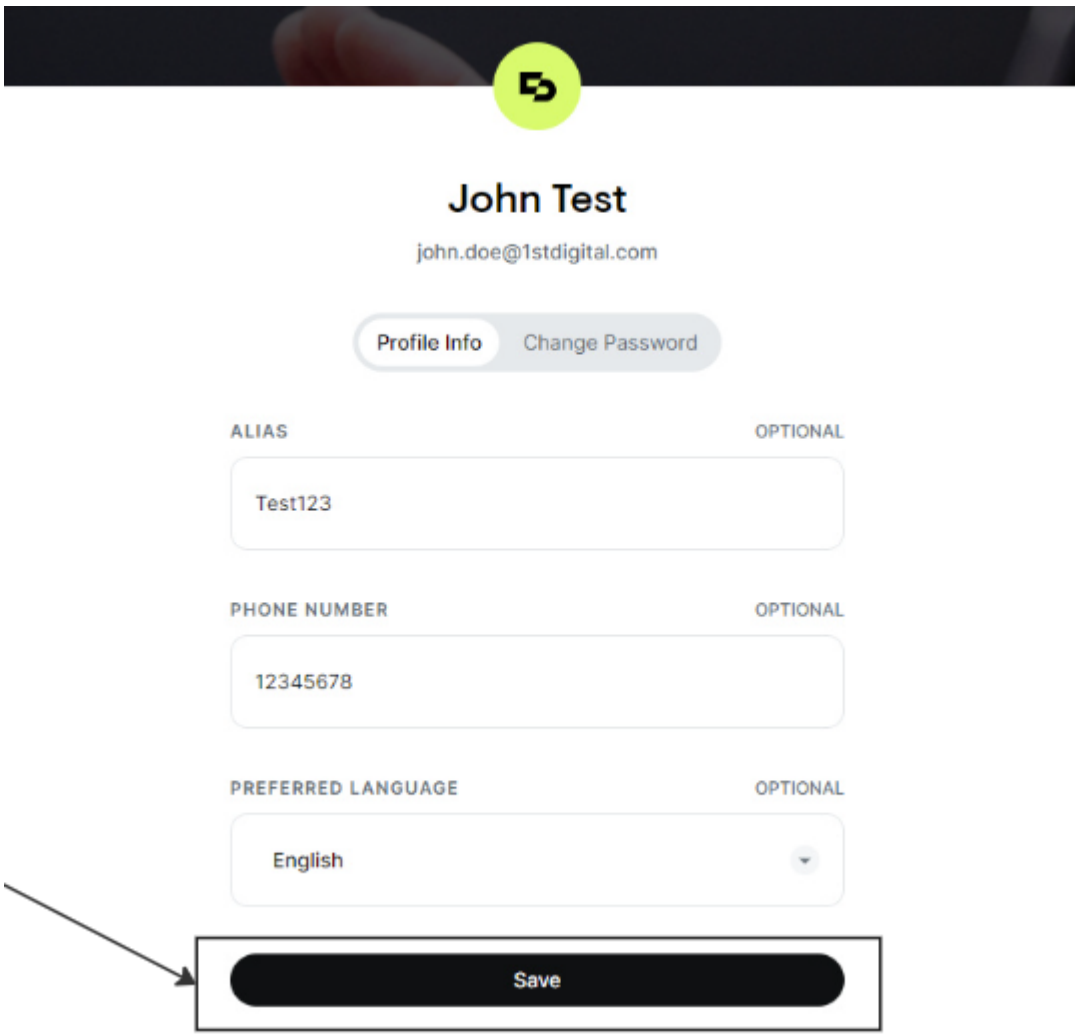

You can update your profile information under **"My Profile"** at any time by following these steps:

1. Click on your name at the bottom of the left panel, then select **"Profile."**

2. In **"Profile Info,"** you can edit your Alias, Phone Number, and Preferred Language.

3. Click **"Save"** to confirm your changes.

Note

For changes to other information, such as your registered address or email address, please contact our Client Services Team at cs@1stdigital.com.
