

## Create Third-Party Transfer (Crypto) Instructions

sara li - 2024-10-05 - Digital Asset Instructions

To transfer assets out to a third-party wallet address, you need to create a Third-Party Transfer instruction through the Client Portal.

1. Navigate to the **"Asset Transfer"** tab on the left panel.
2. From the dropdown menu at the top, select the cryptocurrency you would like to transfer. Choose **"Third-Party Transfer"** and click on the **"Create Instruction"** button.
3. Complete the required fields in this section:
  - From my FDT Account: Choose the First Digital account you would like to transfer assets from
  - To Wallet: Choose from your list of whitelisted crypto wallet addresses
  - Amount: Enter the desired transfer amount.

Click on the **"Next"** button to proceed.

4. Review the details of your instruction to ensure information accuracy and review our disclaimer. Click on **"Submit"** to proceed.

5. A summary of the instruction created will be displayed, and the initial instruction status will be shown as "Initiated"

Warning

***The cut-off time for the First Digital team to process a third-party transfer instruction is 5:30 pm HKT. Any instructions created after 5:30 pm HKT in the Client Portal will be processed the following business day.***

In case if you are unable to locate the wallet address in the dropdown list, please contact our Customer Services Team via [cs@1stdigital.com](mailto:cs@1stdigital.com)
