

Create Third-Party Transfer (Crypto) Instructions

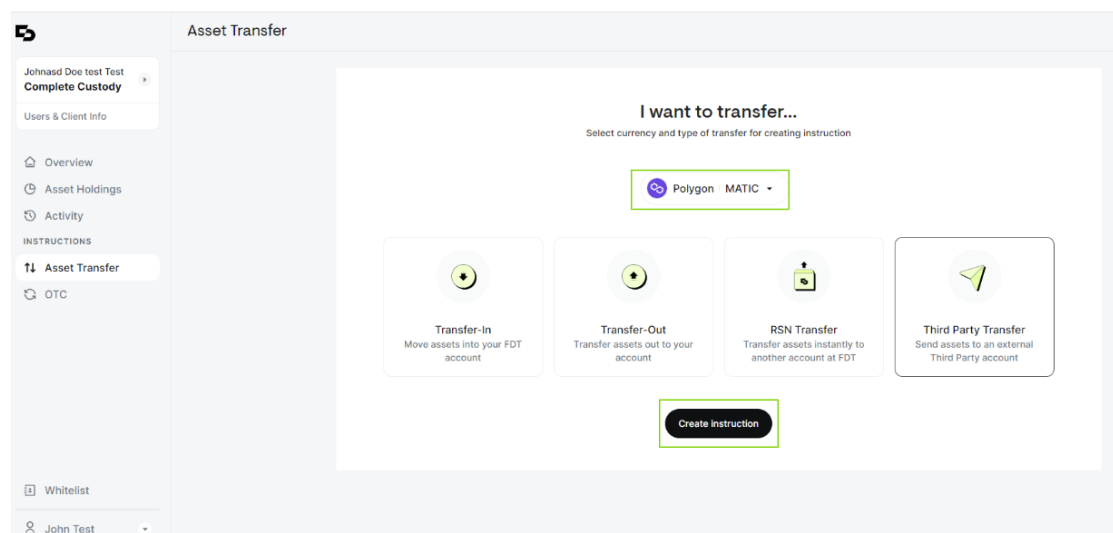

sara li - 2026-05-23 - [Digital Asset Instructions](#)

To transfer assets out to a third-party wallet address, you need to create a Third-Party Transfer instruction through the Client Portal.

1. Navigate to the "Asset Transfer" tab on the left panel.

2. From the dropdown menu at the top, select the cryptocurrency you would like to transfer. Choose "Third-Party Transfer" and click on the "Create Instruction" button.

3. Complete the required fields in this section:

- From my FDT Account: Choose the First Digital account you would like to transfer assets from

- To Wallet: Choose from your list of whitelisted crypto wallet addresses
- Amount: Enter the desired transfer amount.

Click on the "Next" button to proceed.
