Create Transfer-Out (Fiat) Instructions

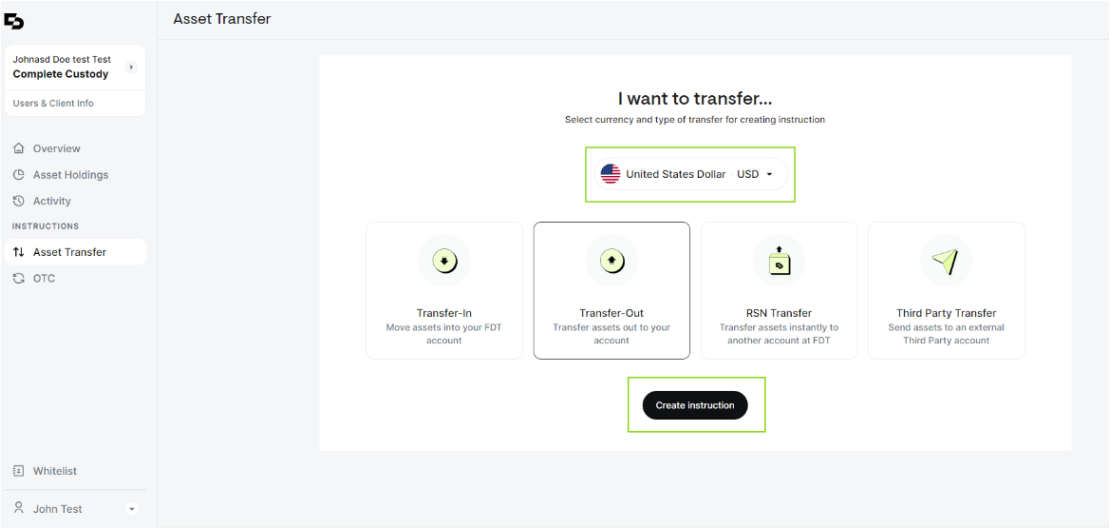

sara li - 2024-05-23 - Fiat Instructions

To transfer assets out to your own account, you need to create a Transfer-Out instruction through the Client Portal. If you want to transfer assets to a third-party account, please see the Third-Party Transfer articles for details.

1. Navigate to the **"Asset Transfer"** tab on the left panel.

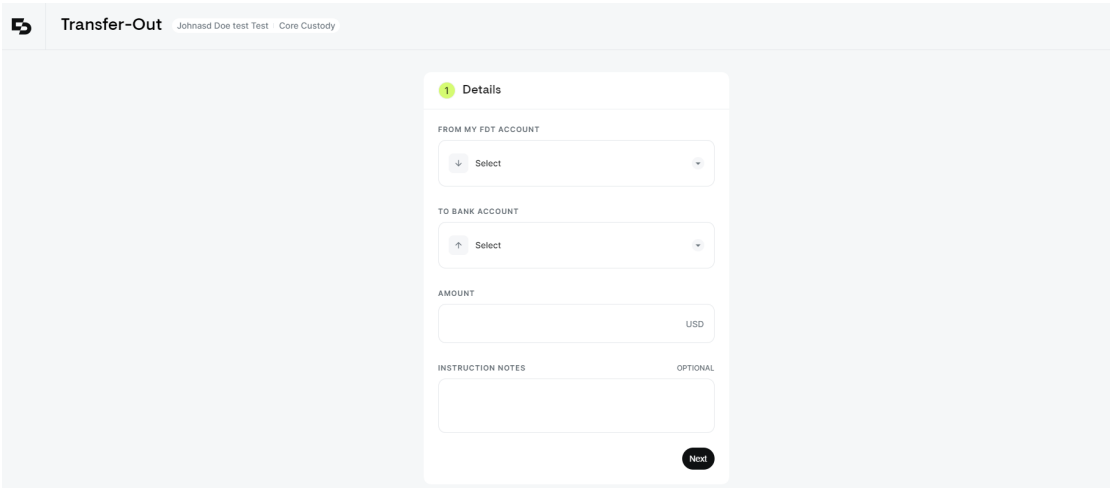

2. From the dropdown menu at the top, select a fiat currency you would like to transfer. Choose **"Transfer-Out"** and click on the **"Create Instruction"** button.

3. Fill out the required fields:

- **From my FDT Account:** Choose the First Digital account you would like to transfer funds from
- **To Bank Account:** Choose from the list of your whitelisted bank accounts
- **Amount:** Enter the desired transfer amount

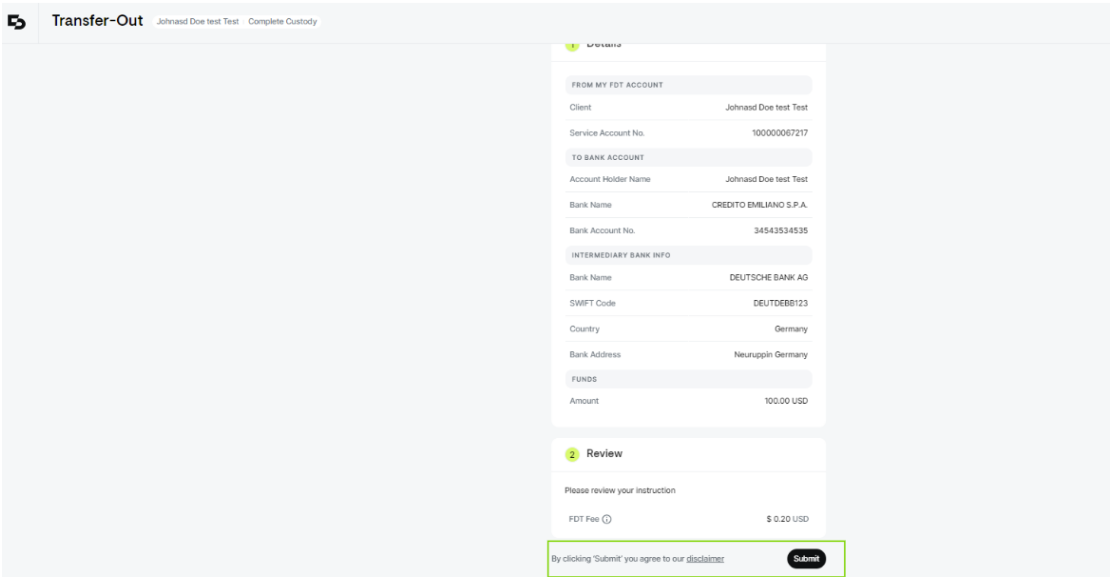

Click on **"Next"** to proceed.

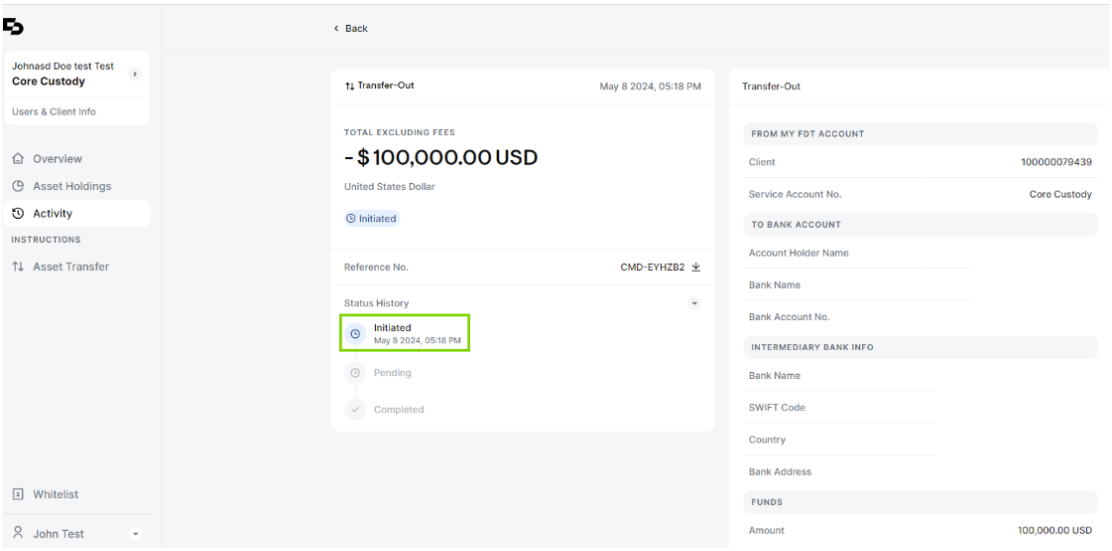

4. Review the details of your instruction to ensure information accuracy and review our disclaimer. Click on **"Submit"** to proceed.

Warning

Please note that there will be a fee charged for processing the instruction.

6. A summary of the instruction created will be displayed, and the initial instruction status will be shown as **"Initiated"**

Warning

The cut-off time to process the transfer-out instructions is 3:00 pm HKT. Any instruction created after 3:00 pm HKT in the Client Portal will be processed the following business day.
