You can now find all your cryptocurrency wallet addresses in the Asset Holdings section. This section displays all the cryptocurrency wallets you have created.

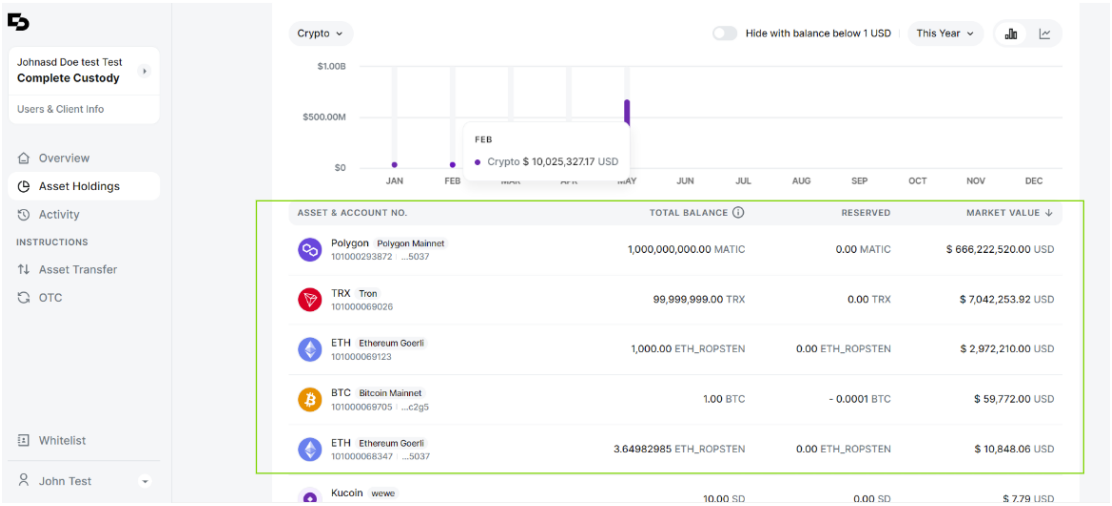

1. Navigate to the **"Asset Holdings"** on the left sidebar.

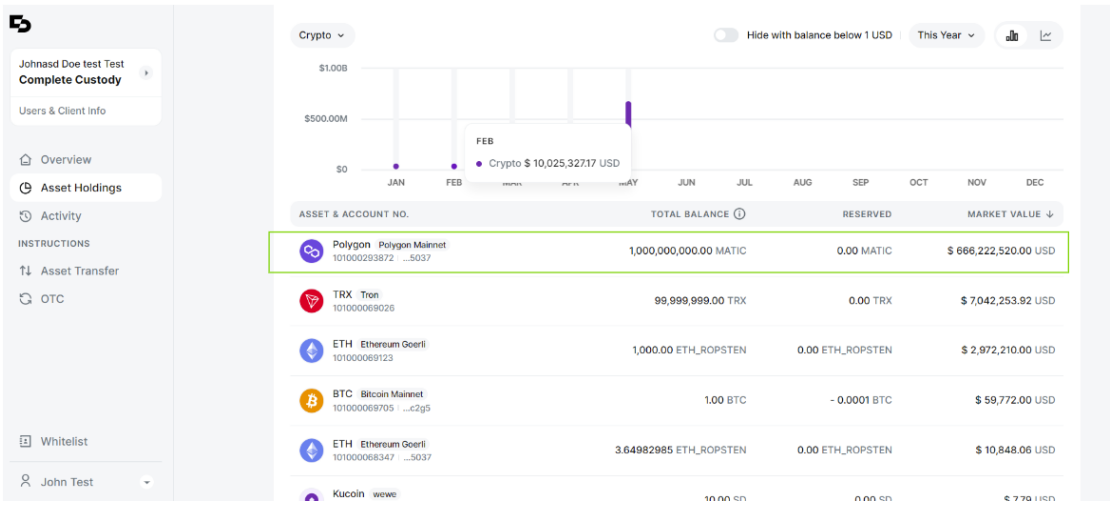

2. Sort to only **"Crypto"** in the filter section highlighted in the screenshot.

3. Scroll down to the page to find a list of asset accounts.

3. Click on the cryptocurrency you are looking for.

4. You can find your Wallet Address on this page.
