Whitelist a Crypto Wallet

sara li - 2025-08-16 - Asset Account Management

Before initiating any transfer instructions within the portal, please ensure that the crypto wallet addresses are whitelisted. The process for whitelisting crypto wallets usually takes 1-2 business days. First Digital impose a minimum 24-hour cooling off period before any wallet is whitelisted.

Once the whitelisted wallet is verified, it will appear in the dropdowns when creating an instruction within the portal.

Note

If the status is canceled or pending for **more than 2 business days**, please contact us at **cs@1stdigital.com**.

We are always looking to improve our service offering. If the cryptocurrency you are looking for does not show in our drop down list, please contact cs@1stdigital.com.
